

Staggered Terms

The GRs in attendance at the 12/8/13 RIAFG Area Assembly approved the following motion:

Stagger the terms of the AWSC officers, coordinators, and DRs. Approximately 1/3 will change in each year. The AWSC will be empowered to develop and implement the plan.

At the 4/12/14 AWSC meeting, a plan for implementing Staggered Terms was approved.

Implementation of Staggered Terms

The first 3 years will be a transition period during which some of the current AWSC members will continue in their positions for 1-3 additional years (*), some positions will be filled for 1 or 2 years (^), and the remaining positions will be filled for the usual 3 year term. These election years are shown in Table 1. Table 2 shows the election years going forward after the transition period is completed.
