March 30, 2023

Attendees: Cindy, Phyllis, Martha, Elaine, Mary Beth, McKenzie, Chris, Beth, Eden

Topics:

Computer/Internet

- Dean signed in to demonstrate that the internet is up and running
- The installation fee was waived

Spring Assembly

Discussion of who/how/if an assembly could be organized

- Discussed the necessity of numerous volunteers- Chris and Beth volunteered to assist with organization, Eden can assist in crafting a flyer for distribution
- Discussed consideration of an in-person vs. a virtual assembly- it was noted that a virtual assembly actually requires more effort
- Dates for consideration were June 3rd and June 10th

Service Position Openings

- There are currently 11 open positions in the area to include 2 district representative positions
- People are stepping up to temporarily cover double positions but that is not a permanent solution
- What does the State look like without the support of the area? Al-anon meetings would not end but without support, valuable tools such as updated meeting lists, literature and office support etc. would no longer be available
- Brainstormed alternatives to get the word out to groups to increase service participation

TO DO's

- Cindy will attend the World Service Conference as our area delegate. She will brainstorm with others regarding increasing participation at the service level
- Volunteers will start looking for venues for potential spring assembly
