CONVENTION NEWS: Riding the Waves of Serenity was a sell out! 1200 registrations were sold. Our Al-Anon participation consisted of workshops, and a great speaker Barbara W. from Ohio. She "hit the ball out of the park" as the AA Convention Chair mentioned to us. It was a great success and it was the first time we had 1000 fliers enclosed in each registration packet explaining Al-Anon, and the Family disease. Great out-reach to 1000 people! One of the workshops held discussed our upcoming 60th Anniversary. Pamphlets were given out ("Al-Anon Then and Now", and a brief talk about our history was given. Each participant was given a sheet of paper and asked to share **"How would you say Happy Birthday to Al-Anon?"**

Here are the Responses:

Dear Al-Anon,

"Thank you for helping me to understand myself and teaching me that I have choices. I can choose to have a happy life." **Marianne R**

"I feared rocking the boat, Al-Anon helped me realize I was really trying to steady the boat in rocky waters. You gave my children a mother, my husband a wife and the world a trustworthy friend. Love," **Barbara W**

"Your birthday celebration is mine as well for my walk in this God-given program 30 years ago has been a rebirth for me. Thank you for "softening my edges." Gratefully," **Pat D**

"Thanks for the recovery and the esteem that I'm not alone in the pursuit of coping with this disease." **Lowell**

"Happy B'Day! Conceived in love and the power of committed intention, I am so proud and grateful of the force you have grown to be. You introduced me to my H.P. and a life I didn't dream possible. What a birthday gift to me! Love," **Carly**

"Thank you for being here when I needed you all. It's never too late to learn how to be free. Love & Hugs," **Uncle Harry**

"Thanks for being there when I needed you. I thought I was going to a 12 week program – 1 week for each step and I was not happy to be there because I didn't have a problem. It was the alcoholic's problem, not mine. That was 19yrs ago. Thanks again," **Jerri M**

"Thank you for giving me a spiritual community in such an unusual way." **Margaret S**

"Thank you for helping me deal with my past, present and future problems with alcohol." **John**

"Thank you for helping me to reach a place from which I could open myself to the possibility of God showing up in the father who abused me when I was a child. After 16 years of estrangement, my father and I now have a relationship." **Yael B**

NEW FORMAT FOR SATURDAY NIGHT EAST PROVIDENCE MEETING

The East Providence Saturday night Al-Anon group has recently adopted a new format for its meetings. The first and second Saturday nights of the month are Step Study Meetings for the Step of the month utilizing Paths to Recovery.

The third Saturday night of the month, is an Eleventh Step Meditation meeting, where the group sits in silent meditation for 15 minutes during the meeting, and then discusses an 11th step or mediation topic. This is believed to be the only 11th step meditation meeting in Rhode Island.

The fourth and fifth Saturday nights are open topic meetings, with the fifth Saturday night set aside for a speaker, either Al- Anon or AA.

The group is small, and parking is free and easy. The group meets at the Hope Congregational Church 120 Wampanoag Trail in Riverside @ 7:30 for one hour.

The group **is seeking new members**, so please come and visit if you are able.

ANGER by Devin P, Growing Strong EG and Living Life, Coventry

Growing up with an alcoholic brother and father has built a lot of anger inside of me. When they were both drunk, they would come to my room, trash it, yell at me and make me feel bad. Then one day, I exploded. I was cursing, hitting and throwing things at my father.

A week later, my school counselor suggested I go to Alateen. I decided to give it a try. When I went to my first meeting, I didn't want it to end. I fell in love with it. The program taught me how to control my anger and detach with love. From that day on, I was practicing my program like it was a sport.

Things to think about: When you're feeling angry and you feel like you are going to explode :

- Go for a walk
- Call an Alateen member to try to calm down and make sure things don't escalate into a situation you don't want to be in.
- Punch a punching bag until you let all that anger out

Just remember before you feel like you're going to explode, practice your program and try to remember what you have learned in Alateen.
