Spring Assembly planning:

- The Assembly committee met via Zoom last night. There were some loose ends that were addressed.
- We have a volunteer to take the minutes for the Assembly
- The Assembly Packets have gone out. The flyer will be sent out again on Sunday June 4 as a reminder to our members
- The lanyards, group records and sign in sheets. from the fall assembly are in the Area office and these will be brought to the assembly.
- Four people will coordinate meeting at the office on Friday AM June 9 to collect the supplies for the food, beverage, etc.
- The Trivia section of the assembly will be vetted for accuracy.

Fall Assembly: There was discussion about which District will host this fall assembly. The YANA location in Middletown was offered as a good location for this and more discussion will follow as that assembly is in the planning stages later this year.

Electronic groups: Cindy shared that the WSO has simplified the form that groups are required to fill out when they want to become part of an area. The the link for this form will be on the home page of our website.

Closing: The meeting was adjourned at 7:40 after the AI-Anon Declaration.

The next meeting is scheduled for August 3, 2023 at 7:00 PM. Location to be determined.
